

MEET MS. LIZ

PEACE & FREEDOM PARTY CANDIDATE FOR GOVERNOR

Fri., Oct. 11

12 noon

front of CSUF Commons

Ms. Elizabeth Keathley brings her gubernatorial campaign to Fullerton University as a leader in the feminist and libertarian movement. As Governor, Ms. Keathley has made it plain that she will work for the abolition of all "VICTIMLESS CRIME LAWS" whether they be those regulating drugs, abortions, food, prostitution, homosexuality, transexuality or vitamins.

Ms. Keathley, a 21-year-old UCLA student, has campaigned in the nude in Venice to stress her support for nude beaches in California and that in the era of Watergate she has nothing to hide. She has asked other candidates running for governor to do likewise.

To sum up Ms. Liz's beliefs, her favorite slogan is: "THERE'S NO GOVERNMENT LIKE NO GOVERNMENT."
